

Web Accessibility Statement

Our Commitment to Accessibility

Eastridge Workforce Management is committed to ensuring digital accessibility for people of all abilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards to achieve this.

Conformance Status

We strive to conform to the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards, which are widely recognized as the international standard for digital accessibility. These guidelines explain how to make web content more accessible to people with a wide range of disabilities, including:

- Visual impairments
- Hearing impairments
- Motor limitations
- Cognitive disabilities
- Learning disabilities
- Speech disabilities

Measures Taken

To ensure we maintain our commitment to accessibility, we have taken the following measures:

- Implemented an accessibility policy that is part of our organizational mission
- Included accessibility as part of our website design and development process
- Conducted regular accessibility audits and testing with assistive technologies
- Provided accessibility training for our development and content teams
- Engaged with external accessibility specialists to validate our approach

Continuous Improvement

We recognize that accessibility is an ongoing process, and we are committed to:

- Regularly reviewing and improving our website
- Testing new content and features for accessibility compliance
- Staying updated with changes to accessibility standards and technologies
- Responding promptly to accessibility issues that are brought to our attention
